ABOUT THIS YEARS PROGRAMS

This year joining Delilah and her crew will be the scintillating Princess Farhana. Not only is she a highly acclaimed belly dancer, performer and instructor, but she is also an author, public speaker, and actress. She is a star in America's premiere neo-burlesque troupe, *the Velvet Hammer*, and the principle dancer in the comedian Margaret Cho's new variety show: *The Sensuous Woman*.

- ♦ **The General Course:** Open to all levels. A mix of belly dance classes, entertainment, performance, relaxation, and yep you got it, a day of old fashion burlesque. Our programs are about art, exploration and feminine adventure.
- ♦ **The Instructors Training is intense:** You do the General Course and teachers classes with extra days and special drum solo training. This is the 3rd time we have held this program. The experience is richly rewarding. Open to all styles and perspectives (limited to 12 dancers). They work closely with Delilah as colleagues examining belly dance for 10 days in a tropical laboratory.
- ♦ **Live Music** is always an important element to Delilah. This year she is featuring Classical Arabic from the golden age of belly dance; Stephen Elaimy and Erik Brown both are members of the House of Tarab.
- ♦ **Additional Teaching Staff:** Our other staff members include the lovely Laura Rose who is our videographer, group coordinator and instructor. Erik Brown is our resident drum instructor and Power Belly music master. He will be joined by Stephen Elaimy on oud and friends.

WHERE WE STAY

Kalani Resort on the Big Island of Hawaii has been in business over 20 years. We have had many retreats there. The word Kalani means "heaven" and heaven is perfect for our intentions. Nice big mirrored dance room, pool, sauna, hot tubs, massage studio, professional staff and a beach across the street.

FOOD

The food is really delicious and plentiful. Much of it is organically grown on site. They can accommodate most all diets: meat, veggie, lactose, and vegan.

ACCOMMODATIONS

The base price is for shared accommodations in the lodge. However plenty of double private rooms and single private have been reserved at additional costs. Sign up quickly to reserve. *Space is limited.*
