We are on a retreat, out on a rural country road on the Puna coast. Kalani is a beautiful and an extraordinary place to come and retreat to. It takes amazing amount of staff, organization, and constant maintenance to keep things running smoothly. The service is always consistent. The food is excellent, the staff is friendly, dependable and there to make your stay comfortable. We are so fortunate to have found a place of this kind available for our pursuits. It's perfect for our dance, with 2,100 square-foot suspended wood floor and mirrors. This facility is by far one of the best we have ever run across. We hope to see you there!

Reservation will be confirmed on Mondays.
